

Go to [www.voki.com](http://www.voki.com).

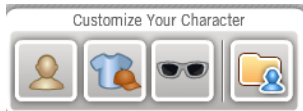

2. Create a free account using the “Register” button. 

3. Click on the “Create” tab.

4. Use the “Customize Your Character” options to change

your Voki’s appearance.

5. Use the “Give It a Voice” options to add sound to your Voki.

a. Option 1: Record by Phone – call the number on screen and enter the passcode to record your message.

b. Option 2: Text to Speech – type the text you want your Voki to speak, then select the accent/language and voice.

c. Option 3: Microphone – click “Record” and say your message.

d. Option 4: Upload – click on “Browse” and select the sound file you want to use, then once it is selected, click “Upload.”

6. Use the “Backgrounds” and “Players” buttons to add

detail to your scene.

7. When finished, click on “Publish.”
